

Distinguished Teacher Selection Committee

Number of Meetings: Approximately 3 during the academic year.

It is up to the student to spend time on their own, approximately 6 hours, going through binders that talk about each teacher. They then are required to make a short list as to which teachers stand out most in their minds. The committee meets again and all go over their short lists. The committee then selects the 2 distinguished teachers.

Membership:

2- Students are needed on this committee.
